“ *Sometime we have the rare blessing of meeting an Angel here on earth. Eleanor was just that. She was so loving and excepting. She treated my children like her own grand kids. She went out of her way to come visit anytime I was at my son's house in Ohio. She never failed to hug everyone and always said I love you. The kids looked forward to every moment with her and so did Jon and I ...I know this family will miss her terribly ...she was a blessing to all. Her love and faith shows through her family she leaves behind. We will all miss her. Prayers for all of you... She was a truly amazing woman. Love to all ,
