“ What fond memories I have of being in the Spearman home. There was always warmth, laughter, love, and a great respect for the friends and family that were present. Many slumber parties were hosted by Debbie and we girls always have a fun time while there. In fact I was staying there overnight in 1965 when I got the call that mom was going to the hospital to have my youngest sister Stacy. Pauline was always a very present fun-loving part of the get-togethers. She will be missed by many for her tender spirit and wonderful smile. God be near##imported-begin##Terri Opper##imported-end##

“ Please accept my sympathy. I have great memories of your mother. When I moved to Forest in the 2nd grade during Christmas break, she made sure I was invited to your birthday party even though I was the new kid in town. She made me feel quite welcome. We went to see a movie in Kenton, I think it was Abbott and Costello and had cake and Hawaiian Punch. Also many great memories of her at church. Also, she and your dad hosting a hayride for all of us when we were in junior high school. A great mother. She will be missed.##imported-begin##Ruth (Eier) Crates##imported-end##
