“ *My Aunt Flora was always there for me when I was a child. She was also there for me when my Mother {her sister} died too. I will never forget all the time I spent out on the farm with her and all my cousins. That is very special time in my mind for me. I will never forget. Love you Aunt Flora for all you and yours did for me and I will never forget and sorry that I did not stay close after I grew up. I feel bad about that. “ *Our prayers are with each of you. Although we only knew her through the words and pictures shared by Mark and Deb, she was certainly a beautiful woman with a kind heart. She is most certainly safe in the arms of her Saviour. We love you. --the Spauldings###imported-begin##Mike, Karen & Katie Spaulding###imported-end##*
