“ Hello Sue & George,

*Sorry to hear of Flossie's passing, it certainly brought back quite a few memories for me, mostly Sue, of RCA days, but know that our parents were very close in their younger days.*

*Even though I have been in Arizona since 1976, we have seen each other a few times in between, and would love to hear our mother's recalling old times together.*

*It will soon be 3 years since Mom has been gone, and Carl too, June and September. I miss them dearly, so I know your loss will be great. We were so fortunate to have them with us so many good years.*

*Will be thinking of you.*

*Much love,*
