“ I remember very little of my childhood, but I remember my aunt Tootsies house the most. Richie sitting on the couch throwing himself back leaning forward over and over. Catching fireflies in evening and playing in warm rain. Left Ohio 50 years ago. Even though I hadn't seen her since 1980-81, I miss her now more than ever. To my cousins and their families I'm so sorry for your loss. To my mom and uncles, I'm sorry for the loss of your sister. She is in Gods hands now.

“ Jeff, Kevin, Richie and Family,

Mike and I are sad to hear of Aunt Frances passing. I remember the wonderful family Christmas get togethers we had at her and Uncle Jerry's house in Upper when we were kids; and in the summer, all of us cousins would run amuck in your backyard. I loved listening to her talk, and even though we've been miles away for many years, I still remember the sound of her voice. Losing a mom is hard, and we pray for God's peace to fill and carry you and your families. In memory of Aunt Frances, we will be giving a memorial gift to a charity of the families choice.

*With much love from your cousins in Texas,
