“ *Sorry to hear of Fred's passing today from Mom and Dad. I am living in Wisconsin or I would try to stop by tomorrow.*

It seems like just yesterday that I was sitting on the tractor in your display at the Fairgrounds in Kenton.

I remember the day that Dad told us that Fred came out to trade in a combine and said that it was time to get his name in our shed. (Sell something to dad.)

Fred's friendship probably lead to my career in the Ag Equipment field. I have been a territory manager in Wisconsin for AGCO, CLAAS and starting tomorrow, Versatile Equipment.

Remember God is with you in this time and Fred has touched many lives.
