“ I just learned of Gail's passing. Gail was special person. She served with me on the Summit County Board of Health where she also served as Chair. We shared a few stories about Upper Sandusky where I spent so time as a child. She was always kind and helpful. Her words and smile will always be with me. I am so sorry.

“ Gale and I stayed at the same rooming house at the Ohio State University. She was a great friend - friendly and self-assured. After our 1969 graduation our paths did not cross except for a few times. She attended our wedding in 1970 and in the early 70's we were at the same Holstein auction near Baltic, OH. The heifers we bought were not cooperating getting on our truck. Gale found us and she easily convinced our heifers to load up. It was wonderful to see Gale last July at Lake Erie. We are sorry to hear of her passing. We extend our sympathy to the family.
