“ I am devastated to learn of Gary's passing. He was one of my closest and dearest friends of 50 years, from our days at BGSU. I have so many fond memories of wonderful times spent together and phone conversations. I will never forget the time he made me fly to Connecticut for a visit, so he could take me to NYC to a show on Broadway. I will forever cherish all the memories of my dear, sweet friend. My very deepest condolences to Gary's family, and may Gary rest in peace.

“ Condolences to the entire family. I remember going to Ida's and Eugene's when Treva and Gary would be there visiting, he was always having fun times. I also remember riding on the bus to and from events with the band. Good times
