“ *Gary always showed respect and would always take time to talk. I worked out at Bridgestone until I retired in 2014. I would see Gary from time to time out on his Harley or at the gas station. Always thought he was a pretty good guy.
So sorry for his family and close friends.
He will surely be missed !*

“ *Hey little brother....this is Allan I just wanted to let you know that Jesse sent me a text and said R.I. P. And to keep rocking to Jackyl. This is something Gary and I joked about all the time. He could not wait for ohio bike week and a chance to hang out with Jesse James Dupree. We drove him crazy at mrhd and the crows nest where we did shots and ate ribs. Going to miss you next year at bike week skillet. Love you little brother.*

“ Gary was a very special friend. There was a time period that we were able to take numerous trips on our motorcycle. All we had to do was call Gary or leave a note on his door and he would stay at the house, feed the dogs, mow the lawn, plus feed the cats. He would stay until we got home and we knew things were in good hands. Thank you, Gary. You will be missed.

All we had to do was call Gary or leave a note on his door and he would take care of the dogs (2 or 3), mow the lawn plus feed the cats. No, worry, Gary would stay until we got home!
