Tribute Wall

“ Joel and Mel, Brian and Scott,

So sorry for your loss. I remember so many laughs and great times with both of your parents/grandparents. They were always so welcoming to any and all that they met, and their smiles were always inviting to all. Although your dad will be missed, Joel, you will feel his presence in small moments, and he will be celebrating with you. Let's get together, soon, to celebrate spring, Dan's healing, and most of all our continuing friendship that has lasted over 3 decades. May God continue to bless and comfort in the days ahead. love, gail###imported-begin##Gail Clark###imported-end##

“ Joel, I just heard about this and wanted to express my condolences. When I saw your Dad's picture, I remembered him from Wilson's Tire, but I never made the connection, and didn't realize he was your father. My prayers go out for you and your family during this time.###imported-begin##Harry Shearer###imported-end##

“ Joel,

I am so sorry to hear about the passing of your father. I always enjoyed the banter between he and Dick at the garage. I am sure that he will be missed but rest in the comfort of knowing that he is in God's capable hands.
