“ Aunt Georgie you welcomed me into your home with open arms. We would come for a visit and stay with you. I never seen so much food on a kitchen table. I have so many great memories spending time with you. You always had pleasant things to say to me. You were the best aunt anyone could have. I was blessed to have you in my life thank you for the memories. We will miss you Aunt Georgie, Love, Eileen

“ Aunt Georgia is the only person that I would compare to my own mom. She was such a good hearted person and one of a kind. She will be deeply missed by all that knew her.

*I am so sorry that Aunt Georgia passed away. I haven't seen her since I was a little girl. From what I remember, she was a really good cook and there was always food on the table when we went to visit. I want to let my cousins know that I am so sorry for their mother's passing. She is with her brothers and sisters that have already passed and her parents now. You will always be loved Aunt Georgia and missed a lot.*
