“ *Gerald was a good guy. I knew him in the mid 60's. May he rest in peace. We were underway via his boat from Put-In-Bay to Middle Bass with no lights late one night. The Coast Guard nearly ran us over and then chased us to the dock and we all took off running and left Gerald to deal with Coast Guard. Some of us were not exactly sober but escaped the Guard. I had a lot of fun that summer and all the crazy things we did. So sorry to hear of his passing. Margie*
