“ *What I remember most about my Great Aunt Grace is her incredibly sharp mind as we went through all the photos and documents when I began the family tree. She amazed me at every turn. Her willingness to share every detail with stories behind each photo is a memory I'll forever cherish. She reminded me of the grandmother I knew growing up, being happy and giving love unconditionally. I know she and my grandmother are having a wonderful time catching up. *Our deepest sympathy on the loss of such a dear 'great' aunt. She definitely lived up to that title. She was a pleasure to talk to, always had a smile on her face, and was always happy to see anyone who came to visit her. What a blessing God gave us in her life here on earth. Heaven is blessed with the angel they received this week.
Love and blessings to all, Bev and Marv Daniel
