“ We extend our sympathy to his family & will keep them in our prayers. Dale & Janet were active in National Campers & Hikers Association (d.b.a. as Family Campers & RVer) in Ohio for many years. He was our 'money man' (treasurer) when Jim & I chaired the 1991 Campvention in Canfield, Ohio. Our memories of Dale go back to preparing the 1983 Campvention site at Buck Creek State Park, Springfield, Ohio. We began work on that site in 1980, three years before campvention. Dale & Janet had equipment that was used in the prep. Over the years, we had many great times with both of them. Ironically, the end of March I received a phone call on my cell phone (not sure how he had my cell phone number). The voice asked me if I knew who was calling. The voice certainly sounded familiar, but I was at a loss. It was Dale. He just wanted to call and say 'hi' to us. We exchanged the usual pleasantries. He said he was going back to Ohio early in April, actually about a month before we're going in May. Jim was here so I gave my phone to him. It was so surprising to hear from him as we hadn't talked for a long time. The more we've thought about it this morning after learning of his passing from Bettie Pfeiffer the more we wonder about that phone call. Did Dale have a premonition? Since he wintered in Leesburg, which I didn't know beforehand, Jim & I said we'd have to get together with Helen & him next winter. It was so good to be surprised by him and so sad today to learn of his passing. God bless him as he joined Janet in heaven.

“ We camped with Dale (and his late wife Janet) for many years at OSA statewides and SERVE campouts and always enjoyed his humor which was a highlight of our fellowship with him. Our condolences go out to his family and friends on the death of a past very faithful NCHA/FCRV member.
