“ My husband John sold Jr. and Georgia insurance and that started our friendship. We would go to their home and sit in the sunroom for hours. Talk about everything. Whrn we. moved to Nashville we stsyed close. Then we came back to Ohio and the four of us. went for a weekend to Renfro Valley. What a great time we had enjoying each other and country music. Both were such great people. Jr. will be sadly missed. He is now in heaven with my husband John. Guess God needed another angel. Jr. tell John I still love him. Prayers for all the family left behind. Love. Joyce Butcher
