“ I remember how she used to always send us fudge for the holidays, how the hummingbirds never seemed to leave, the sight of millions of fireflies over the fields, and a herd of buffalo. Her quiet strength and grace have always inspired me to be a better person. I'll miss her more than I can say. I love you Grandma, you're my favorite angel.

“ I always remembered Aunt Rose as a VERY kind hearted person with nothing bad to say about anyone. She was fun loving even in adversity. Although I haven't seen her for years I know nothing had changed and her children (my cousins) reflect much of her. Randy Sheidler
