“ *My heart is so full when I think of Irene! Stan and I were treated like her own kids when we were growing up. I have some of the best childhood memories with my cousins and time spent at Lloyd and Irene's house! The beautiful life she made here is so dull compared to what she will be having with Jesus, in eternity! I rejoice in her home going!*

“ Karon, Jim, Jane, and Betty: All of you, Lloyd and Irene were such a big and wonderful part of our growing up years on county line road. We were like a blended family back then. Time marches on and we all grow up. Miss you all and will miss seeing Lloyd and Irene. I know Pam feels the same.

“ We have so many wonderful memories of Irene from the pond. I always looked so forward to our summer gathering and catching up with her. She was so very proud of her family. She was always eager to share what everyone was doing and how she loved her kids, grandchildren, and then great-grandchildren. We shared and created many memories over the years, and I will cherish each of those memories. You are so blessed to have your precious Mom for so long. May God surround all of you with his precious love. Thank you for sharing Mom and Dad with us for so many years. You are in our thoughts and prayers!

“ Irene was beautiful lady I had the chance to take care of her for a long time. I enjoyed listening to her memories of her and her husband. Her family are the most beautiful people and cared so much for their parents. I am sorry for your loss she will be deeply missed.
