“ Hello my name is Nancy Fout I worked with your mom for several years in Carey at Carey plastics and then also when it became TMD I always enjoyed working with your mom she was a good person and a good co-worker we always had a good time when we are working together which helped make the hours pass...I don't know anyone who ever had a bad word to say about her at all she was a really good person..... I know she loved her kids and she loved her grandkids dearly and I know that she is going to be dearly missed but she will still be watching all of you from heaven..... God bless

“ May the Lord bless you and keep you all as you go through this difficult time. I love this picture of her! I worked with Irene for 20 yrs at TMD and she was a great co-worker and fun to work with! I liked her very much and as we were close in seniority, I worked with her a lot and enjoyed her company. I would sing "Goodnight Irene " to her as that was the very 1st song I ever learned! We shall see her again when we get up there, until then, may it bring comfort to you all that you truly were her life and her spirit is with you always.

“ *I remember the Christmas and summer vacations we would take to Ohio to visit. You and uncle Howard were always the first up and you were cooking up a big breakfast for everyone to start the day. I'm sad that I never made it back to Ohio after my wedding or after Catherine was born for Brad and Cathy to see you and the rest of the family there.*

*Melissa and Howard, my heart goes out to you. I love you guys.
Stay strong and know that she will always be in your hearts.*

“ Melissa and Howard I'm so sorry for your loss!! Irene was a special cousin to my sisters and I. We grew up with her in the same house with her. We will always cherish the fond memories we have of her and Howard. When my mom would send us to North Carolina and then after to Ohio for the summer. She and Howard were always very attentive and accommodating to us. She would make us the best breakfasts (biscuits eggs and gravy) We will always hold her very close to our hearts. I'm very sad that we didn't live closer, but we will always have the pleasant memories to hold onto. Rest In Peace my beautiful cousin!!!! 🙏♀️💕🌸

“ To my sister, my biggest regret is that time and space we have grown apart. I was mad at you when you went to the Carolinas and then to Ohio and left me in New York, As time went on, we both went on with our own lives and family. Now that we were both going to retire, both husbands are gone and family has grown, maybe we would reconnect and become better friends. But as life has it, it was not to be. But as you have always been, in my heart you will always stay.
