“ *Aunt Irene.....my Dad's sister. Many memories of family gatherings. Seems like meals were always being shared for no reason other than aunts, uncles and cousins getting together for fun. Those days are pleasant memories. As for the food.....Aunt Irene's macaroni and cheese was the creamiest. To this day I can say mac and cheese is my favorite food. But cannot duplicate Aunt Irene's. I'm so glad she is now dwelling in the house of the Lord forever.*

“ We will miss Irene here at Heritage Christian Union Church. It's been a long time since she was able, physically, to attend but she has been a lasting influence on many who still attend there. We remember the smiles, the hugs, the concern she had for anyone who was hurting and especially those who were serving in various ministries and missions. She led by example. Her faith and her prayers were genuine and sincere. She taught many children through Sunday School, Vacation Bible School and Child Evangelism Fellowship. She mentored many young people in their continuation of Christian training and wrote countless letters to students and missionaries.

*It is a comfort to everyone who knew Irene to know that she is at peace with her Lord and Savior. Her home is now heaven, her mind is clear, her body a new creation-perfect. Praise God for a life lived well, serving her God the best way she knew how. There are so many that could say, "Thank you, Irene, for leading me to the Lord." What a testimony!*

“ Irene has a special place in my heart that will remain until my dying day. Since age and illness prevented her from coming regularly to Heritage, I have missed her Sunday morning hugs. I will always remember with gratitude her friendship and her support. She was a shining example of sharing God's love with others. She endured times of great tragedy in her life but I never knew her to question God's will. She is now forever united with the sons she loved and lost, as well as the men who shared their lives and love with her. God's kingdom is brighter by her presence and those of us for whom she prayed and encouraged in our own walk with the Lord are richer because she stopped and showed she cared along the way. May God bless and comfort her family and all who celebrate the life of this wonderful woman.
