“ Sandy and family,
I am so sorry for your loss. Having been neighbors with your family for so many years, I am saddened to hear this. I remember your mother as always being friendly with a smile on her face; always having a positive attitude. When I would have my great niece, Nevaeh with me at my parents house to visit, when Nevaeh would see your parents she would run to them and give them both a hug. I can remember her asking me to take her to your house so we could visit with your parents. Jackie would always tell me how beautiful Nevaeh is and how sweet that she would get excited when she saw your mom and dad. There are so many memories to be shared. I will be thinking and praying for you and your family during this time of loss.
