“ *I was greatly saddened to hear of Jackie's passing! She and my late mother, Kathryn Rinderknecht, were distant cousins, both having common Klingler ancestors from Perry County. Jackie was such a happy & loving person... it was a privilege to know her and to know we were related! I will miss her hugs every time our paths crossed! Our sincere sympathy...*

“ *I was saddened to hear of Jackie's death. She certainly was a lovely person! Such a great gardener, totally loved looking at the beautiful flowers and landscaping in her yard. Truly a little paradise! We had some wonderful trips with our retired teachers, great memories of enjoyable gatherings. God's blessings to the family!*

“ From high school graduation at our respective high schools, we met and learned we were both going to Capital University, same major, all same classes for 4 years. Roommates one year with 3 others, and 5 more in an off-campus house. What great times! i was in her wedding on that hot August day, Later I came home from CA to get married and Jim and Jackie were near by. Jim married us on April 2, 1966 and we made 51 years. Jackie helped service at my reception. We stayed friends all these years as we visited at Cap or here in the county with Judy. What a shock! i feel like I know you all in the family. I grieve with you all. All my love, Carolyn Hughes Tilley

“ With caring thoughts to Jackie's family ~ She was a joy to know and a shining example of Christ's love. May the faith that carried her through life be your comfort as you grieve and bring you peace. Receiving her letter at Christmas was one of the blessings I so enjoyed! God bless each one of you and keep you close in your time of sadness.
