“ In two lifetimes I could have not asked for a better neighbor. RIP my dear friend and second DAD. I will always have such good memories of all our long talks and stories. You were very liked and very respected. And just know you'll always be in my thoughts. Until we meet again. Love you my brother.

“ My sympathy goes out to the Kalb family. I remember Jim, Iona and the boys they lived up the road from us. They were the nicest people and I always thought Jim was funny. May Jim rest in peace now and join his family in heaven.
