“ *Bob and family; we were so very sorry to hear of Jane's passing. When you stopped by to see us, Bob, and tell us Jane was receiving care at a Cancer Center of America and feeling better, we had some hope. She was a wonderful women and we will never forget the good times we had with her, and you Bob on our trips. We have lovely memories from that time that we'll always cherish. You and Jane made those trips memorable.*

*We were blessed to have Jane for as long as God gave her to us and while words are small comfort, we pray your pain and sorrow eases and you relive only your happy memories of her.*

*Love and prayers,
