“ I have many great memories growing up with Jan. We used to holler down the road at each other when we were neighbors. “Can you come down and play?” We couldn’t wait to play in her barn going up and down on the wooden elevator. My mom and dad called her Jannie. She introduced Jesus to me in high school. I will cherish her memory always. Love you Jan. It’s bittersweet but we all know that you are in the arms of Jesus now.

“ I'm so sorry to hear of Dear Jan's passing. I used to work with her at WMH on the floor and in surgery and can honestly say I never hear a mean or unkind word leave her lips. Her sweet gentle, loving nature was inspiring. I loved her then and will always love Jan!

“ My mom was an awesome, amazing, wonderful, terrific, loving, caring, kind, thoughtful, and energetic mother. I learned to always do my best and to love and follow the Lord. At the age of four my mom helped me accept Jesus and because of this I will see her one day again in Heaven. She taught me to work hard and I am forever grateful to her for this and I hope to teach my daughter Mollie the same. She was an amazing lady a very hard worker who never knew a stranger. She was a friend of many and an amazing wife and mother. Thank you mom for all you did and all you taught me. I love you mom. Rachel

“ *I believe that I met Janis when we were in second grade at Eden School. I spent the night at her house back then and we chased baby chicks together. I never knew her to be anything but kind, compassionate and forgiving with others. May God hold her in His arms and may He comfort those left behind. My prayers are with them.*

“ *To Janis’s family - you have my deepest sympathy . I think I talked to Jan about a year ago on the phone. Time always goes so fast ...Janis and I used to ‘hang out’ in our younger years and were in activities together . School, Bible school, 4-H and things like that . We would also run into each other when I would come into town more recently to visit my parents. She did activities w my Mom, Jackie Mosman too. I Can’t recall for sure what -my guess would be 4-H, Bible school, or some fundraiser for Wyandot Memorial . (My friends tell me my memory isn’t what it once was.) Janis was sweet and always positive . She always had a good soul. I am glad I got to know her. May peace be w you all and time help ease sorrow. —Deb Mosman USHS class of ‘73*

“ I worked many years with Jan at WMH and during that time I am proud to say we became very good friends. She ALWAYS inspired me...with her kindness and gentleness, her ability to forgive, her genuine love of family and friends, her commitment to the hospital and its patients but mostly she inspired me to embrace my faith. She was unwavering in her faith and always had encouraging words even in her worst times. The last time we spoke she told me she didn't know what God's plan was for her yet, but whatever it was, it would be a victory. I will always remember that. I love you and will miss you, Janis. I pray that Glenn, Rachel, Mollie and family are able to find comfort and peace.
