*Dad there isn't a day that goes by that I don't think of you. I wish I had just 10 minutes with you so I could tell you how much I loved you. I didn't keep in touch a lot but I always looked up to you. Thank you for being my father.*

“ *He used to take me out driving in his 1986 Dodge truck when I earn my learners permit. I now have the awesome privilege to do the same for my son Damon. When we are out driving, all I think about is how patient dad was with me.*
