“ Although I had never met Jerry in person, I felt as if I knew his personality and character well - just from talking with him on line for so long. He always seemed so sincere and caring; polite and friendly - not only to me - but to everyone!! My sincere sympathy goes out to his family during this time - and may comfort come from knowing that a good man he was so loved and will be so missed by others.###imported-begin##Charlotte aka Samanthasmore###imported-end##

“ No more sorrows, no more pain will he see,
God saw him getting tired so He put His arms around him and whispered "come to me."
I had the priviledge of having Jerry as my friend for 10 years.
We shared so many smiles, laughs and tears.
May the comfort of knowing that Jerry is home where he is surrounded by eternal love be with you today.##imported-begin##Victoria##imported-end##

“ I know I am a stranger to Jerry 's family but Jerry and I were no strangers to eachother. I met Jerry while working at Owens-Illinois. We became such close friends. Jerry loved life and people. He was such a good person. Jerry's friendship meant so much to me. He had such a warm heart and thought more of others than himself. I never got the chance to meet his family but he talked alot about them and his children. I wanted so much to be at visitation and services so I could say my good-bye but I just got called back to work from a layoff. I wanted to bring my son, Devon, to meet his God Father. Jerry left for South Carolina when Devon was just a baby so he never got to meet him. He wanted to be able to go to visitations so he could see Jerry for the first and last time and finally meet some of the people in his life that meant so much to him. My husband and I were actually trying to find where exactly Jerry was residing because we wanted to make plans for Devon to meet his God Father. I regret that has never happened. Please know you have my warmest condolences. I was so blessed to have known Jerry as you are more blessed to have had him in your lives. Jerry will never be forgotten. God Bless all of you!

“ I would truly like to give my condolence to the family of Jerry. I had the pleasure of going to school with him and talking to him a few times even though he was in my sister Alma's grade. I was in Julie's grade which I am so very sorry Julie. I met up with him again when he came and worked for Owens Illinois although we are now called Graham Packaging which I am unable to get away from work as much as I would like to be there for support. Many of us are talking about Jerry here at Graham (old OI) and all agree that Jerry was full of life, had some hard times and set backs, but still full of life! If I was having a bad day at work he would keep me smiling. Jerry was always a barrel of laughs and is why I enjoyed knowing him. I will keep all of you in my prayers and that in our time we will all meet again along with our true Heavenly Father. May God send his Blessings upon all of you during this difficult time.##imported-begin##Allen Reinhart##imported-end##
