“ Although I never met Jerry I have been through all the ups and downs for the past months from his sister Betty.

I am sure now that he is at peace and is not in any pain.

My sympathy go to all of you and to Jackie Jo. May God be with all of you in this time of need and always remember the good times you had with Jerry over the years.

I am sure he is very happy now on his final train ride home.##imported-begin##Nancy Mott##imported-end##
