“ *My deepest sympathy to you Arden and your beautiful family on the passing of Joanne. I'm so glad we were able to have a visit not too long ago. I really enjoyed it! Joanne had such a sweet and kind disposition it was easy to see why she was thought of so highly! It was always somehow comforting to see you enjoying working in the yard, Arden, often as I would pass by. May God in His everlasting love and mercy be with each of you.*

“ Thinking of you Arden, your children and grandchildren, and of Joanne who was there before you knew it to lend a hand before you asked for it and there to give you love just when you needed it the most. What a blessing she has been for so many. Joanne and I were Riverdale classmates from the Class of 70. During our senior year, she and I found ourselves being waitresses at The Village Inn on East Lima Street, Forest. This was not an easy job for me, keeping orders straight and smiles on the customers' faces, but Joanne was always there to give me encouragement and build my confidence and comfort me with her caring smile.

“ Your family is in my thoughts and prayers. Joanne was always smiling and upbeat. We went to RHS together. She also came to some of our Saturday nite suppers 50 years later. It was good to see her again and share some memories. God bless. Ann Winebrenner Staley - class of 1970.
