“ Mike, Kevin, Molly, Megan and your families - I am so sorry to hear of the loss of your Mother, and Grandmother. I have fuzzy but fond memories of our families visiting after Mass. I did not realize that, like my parents, she enjoyed making wine.

“ *I have wonderful memories of my oldest cousin. I loved as a little kid going to the farm for family get together. Cletus and Jody were fun loving people and we always had a great time. As an adult going to Upper for Jody's birthday in August was wonderful. It was a time to remember and share stories of our family.*
