“ So sorry for your loss Jim. Our thoughts and prayers will be with your family. I never met your dad, but Rick remembers meeting your dad when you roofed your Amherst home. He said he was up on the roof running the show. He was up there in years and he couldn't believe he was able to climb up on the roof. He was a strong vibrant man for his age back then. I remember you always talking about your dad when we would visit with love and respect. I know you have a lot of stories and memories to help you get through the days ahead. I admired your relationship with him. From his picture I see he was a good looking man and you totally look like him. May God be with you and your family in the days ahead.
