“ *Mickey was great friend and even though we hadn't seen each other for a while, that is what true friends have , it doesn't matter one day or ten years, that wonderful friendship stays the same. Anyway we met in 6th grade, we used to play music together and just had fun. I am sorry I can not be there tomorrow, sending my sincere sympathy to all of the family. Mickey was a wonderful person, loved him as a brother. Thoughts and prayers to all of you. I am lucky to have called him my friend. Sherry Barnes*

“ Please accept our sympathy for the loss of John. I worked on Election Day for several years in Morrow County, and was ALWAYS impressed with his knowledge, his friendliness, his ability to handle any crisis---he was a good fellow! May God bless and comfort your family. --Rick and Laura Pearce

Just sick to hear if John's passing! Although we surely did not want to prolong his suffering, I will miss him during election time, esp! He was knowledgeable and always had to kid! God bless all family at this time.

“Mickey was a life-long friend. He surprised me a few times over the years by stopping for a visit when it had been years in between visits since I had seen him. We met in elementary school, and I will always remember Mickey as a funny, outgoing guy. My most memorable moment of him was going to an Aerosmith concert when we were juniors in high school rocking out and well...doing recreational things that teenagers do. We had a blast. In our later years we shared our faith and how Jesus changed our lives. My heart goes out to his family and loved ones. It's a bittersweet thing to grieve the loss, but rejoice in the fact that he's with Jesus now. God bless you all. You'll be in my thoughts and prayers.

“I'll remember you most from our childhood Mickey sitting at Grandma's piano and playing and singing songs walking around outside in the yard looking at her beautiful flowers I can't believe you're gone so soon you had so much family still available to enjoy and spend time with and you will no longer be with them and their daily journey through life you will be greatly missed I love you cousin.

“ The best memories we have with Mickey is sitting by a campfire, him strumming his gutiar and all our friends singing along with him. Great times had by all. Jay and Lisa Grindle

“ When I first met John (as I call him) he worked at the court house and I would always talk to him and always laughed and made jokes with each other. Then while working I met a lady by the name of Jaree that talked of her son Mickey at the courthouse and I could never figure out who this Mickey was.... until one day I figured it out. To me John was John and to jaree... John was her Mickey. Her son. And then I knew why she thought so much of this Mickey person I didn't know. So whether Mickey or John he will always have a place in all of our hearts. rip my friend.
