# Tribute Wall

“ Gloria, Joey and grandkids, The loss you are suffering right now is great and there will never be another Little Joe. Just remember I am just a phone call away and I have some strong shoulders and good listening ears. Remember all the good times and all the good things your husband, father and grandfather did.

*I have alot of good memories of Joe and I will keep them close in my heart and that is what you need to do also.*

*Death is the start of a lot of different emotions and don't be afraid of them, let the pain out and it will help with the healing process.*

*I love you all and share in your grief but at a different level.##imported-begin##Jackie Roberts##imported-end##*

“ I first met little joe when I was a shipper and he the truck driver for Yellow freight. Joe was always the big smiling, ever positive guy who we couldnt figure out how he climbed up in that tall semi truck, being the little guy he was. He always had an up-beat word, and I sure admired Joe for the good guy he was. I'm sure all who met him wont ever forget "Little JOe". My deepest sympathies to the Family.
