“ *I had a memory. I used to babysit for Eddie and Sally along with one or the other of my sisters--long time passing, now--and they used to let us have a treat of popcorn after they left. I remember little Joe, his head didn't even reached the countertop, and he would be all interested and wanting to help. That curiosity and desire to help surely did carry on into his grown years.*

“ So many good memories camping with Joe and Justin. Spent a few nights at their home and always felt like family. Was out on a motorcycle ride a few months ago and saw Joe sitting outside with a friend. So glad I stopped and visited for awhile. Love to all the Rall family.
