“ I am very sorry to hear about Judy Tow's death. She was a long timer for sure and made many friends along the way. I thought that she had recovered from her cancer. I am sorry to hear that was not the case. Judy and I had mutual friends at church for many years. I am sure they are deeply saddened. RIP Judy.

“ Judy was a regular early-morning walker at the YMCA. She and her walking buddies would always greet everyone with smiles and kind words. She will be missed.

“ *I also was so excited when we got to Uncle Bill and Aunt Hazels farm. We could run free and play in the creek. We didn't see Judy to much because she lived in the big city of Columbus, Ohio.*

I always thought she had very important job. I looked up to her on the level of a movie star.

She didn't say much but you listened she she did speak up.
