“ Where do I start with my memories of this young man... one little sad one was when is was about a year old, his brother Ben & my son Danny had him out on the deck in the front of the house, there was a big pile of leafs below.... Yep they dropped him into the leafs. Oh yeah it was funny till they found out his legs were broke 😞 But I think one of my very favorite memories is sitting in his mom & dads living room, and it was huge... Justin & his sister Angel would run in circles around us, we then took throw pillows & did just that, throw pillows at their feet to knock them down 😂 believe it or not they both loved it. But honestly I loved that boy so much, he will forever be my Bustin Justin ❤️
