“ Kail was a special person and a memorable part of my childhood. I recall that he always treated me as part of the family when I would come over to the house with Jill. There were many times that Jill invited me, and Kail and Eve treated me, equally on our trips to the State Fair, or Cedar Point or even to horse shows. He would help me to make my classes as he would help Jill. Memories and love will last a lifetime, your father was a part of both for many.##imported-begin##Virginia Huffman##imported-end##

“ To the family of Uncle Kail. Your dad was a very special uncle and we will all miss him very much. There is a beautiful poem called "Do Not Stand on My Grave and Weep"...A couple of the lines are:
"I am the sunlight on ripened grain,
I am the gentle autumn rain"...
These lines in particular make me think of your dad...he will always be with us.

“ REMEMBERING MY UNCLE KAIL ~~~

"My favorite Uncle" who has been in my life all of my life. Thank you for being there always.

For being the uncle who would ride your bike, after school or work, to come to our farm and stay with us. And make those times such happy times for a little kid!!! Lots of laughter and silliness!! You did put some extra sunshine in my days!

For all the family times at "409". The snitched deviled eggs (can still hear Grammie yelling "KAIL"!!) All the dancing to the big band music in Grammie's living room. That house really did some "shakin" back in those days! The endless card games there ~~ and the "cheating" you did to teach me how to take a "loss"?? Thank you very much! Crying when you had to go off to war. Happy to have you come home on leave and come to the farm to haul me out of bed in the middle of the night to give me a hug and kiss!! And so VERY happy to have you come home again ~~ safe and sound ~~ after the war was over.

All the times we spent together when I was growing up. All the special talks we used to have together. And all the times we spent with our families when we were older.

Your wonderful way of always being there with a helping hand for family or friends. Never too busy for anyone.

A very precious gem ~~ a gentleman all the way.

I love you dearly and will miss you always.

From a quote:

*"In the flutter of a butterfly's wings,
In the ripples on clear blue water,
In the swallows song,
The spirit remains"*

“ *My Favorite quote for my Favorite Uncle~~*

"To laugh often and much;to win the respect of intelligent people and the affection of children;to earn the appreciation of honest critics and endure the betrayal of false friends;to appreciate beauty;to find the best in others;to leave the world a bit better whether by a healthy child,a garden park,or a redeemed social condition;to know even one life has breathed easier because you have lived. This is to have succeeded"

I'll miss you Uncle Kail,

Love always, Lori##imported-begin##Lori Benard##imported-end##
