“ *Mary and I wish to convey our deepest sympathies to the Wright family from Minnesota. I spent my college years in Ohio and had the honor to observe Karl's superb repair abilities as he put a piece of metal under the rotting floor board of my '76 Gremlin. I remember Karl's kindness from all our visits to Ohio growing up - he always made you feel at ease and at home. With love, Ben, Mary and Bryan.*###imported-begin###Ben Earl Curran###imported-end##

“ My first memory of Karl was as the nice man in the window at the Post Office in Forest. He was always pleasant and had a smile to share. I knew my Grandma Irene (Wright) had cousins in the area but I never got to know them well. I knew Charles as I delivered his Kenton Times when I was 10-12 and Charles was always nice. I remember Wright's East End Service where the buses were parked but, until I returned to Ohio in 2005, I never knew the friendly man in the Post Office window was also one of my relatives. I suppose I should have known since he would ask about Grandma Irene but, being young and caught up in my own life, I never understood why. After my return in 2005, I would occasionally talk with Karl at the 'round table' in the Tree Town Restaurant and he would share stories about the Wright family. I recall talking about such things as my great grandpa Hallie Wright (Karl's uncle) and his farm auction and move to Michigan back in the 40's. When Grandma Irene and Grandpa 'Bill' Hamilton divorced, she and daughters Sharon and Norma moved to Michigan to live near great grandpa Hallie and Grace Wright. That occurred before my birth. I will miss Karl's stories about farm life and family. Most of all, I will miss his ready smile and genuine kindness.##imported-begin##Ted Hamilton##imported-end##

“ Thanks for sharing such a lovely video tribute of Karl's life and what he held dear. We are saddened by his death, but through the video see how great he was at living. I loved the photo of his working off of the real stable looking platform in the front end loader. It reminds me so much of Dad and how he and Karl were always able to find ways to get things done. Wish we could be there to see you all, but please know our thoughts and prayers are with you.##imported-begin##Ron Wright##imported-end##
