She also received many requests for just her

icing, which most would say was the best they have ever had.

She loved caring for her granddaughters and great-grandkids. They will tell you about building Dixie cup towers, having tea parties, playing cards, sleepovers, dominoes, decorating the house with snowflakes no matter what time of the year, and going on many trips to places like the library, movies, and parks while listening to Disney music. They loved eating her well known birthday and wedding cakes, chocolate fudge, and homemade dinner rolls.

Instead of flowers, memorials can be made to the Juvenile Diabetes Research Foundation (JDRF) or the Forest Christian Preschool in care of Clark Shields Funeral Home 301 S. Patterson St. Forest, OH 45843. A private graveside service will be held at a later date.

“ *Kathy made the best 7 layer salads and would go out of her way to bring them into work for people, even after her retirement. She was a lot of fun at quarter bingo too and always made extra cinnamon pecan rolls just for me. She loved for me to sing to her my songs that I write.*
