“ Kitty and I met in the 5th grade and played Man From UNCLE pretend-driving her dad's pickup truck. We played Barbies and made evening gowns from my brothers' socks for the dolls. Eventually, her family moved to Ohio again and we remained pen pals until they moved back to CA. By then, she had 2 nephews (Bill and David) and we babysat them. We were inseparable all through Jr. High and High School. When the 3rd nephew came along, we would take him to the park and pretend he was Kitty's baby (that's Jeff). We had some pretty stupid adventures. I was at her 1st wedding. And her 2nd. We had our kids play together. Hours on the phone, well into the night after she moved back to Ohio forever. Kitty was my best friend. My sister. I miss her so much.

“ Got my love of 50s and 60s music from when she babysat me in my younger years. Then later ccr. Loved talking to her about my grandfather who we lost in 81.
