“ *Wishing the best to his family. My Dad Lee was a good friend to Ken and I would like to think his friendship provided extra years and support to Kens life.*

Ken was a very nice guy who I wish I had spoken to more than I did.

Rest in Peace Ken.##imported-begin##Kevin Lane##imported-end##

“ *Dear Kelly,*

I am so sorry for your loss and am praying for you in this difficult time. Though I haven't seen you or the family for many years, I want you to know that I, like so many others, have nothing but fond memories of your dad. I smile when I remember us laughing hysterically when he would sing the "Dairy Dream" song. Your family provided happy memories for me and I hate that you are hurting right now. Your father was a great man, and I know he is with the angels, watching over his little girl.

God Bless,

“ Those who knew Ken knew he was a kind, caring man. I had the pleasure of meeting Ken when he was my supervisor at Best Buy DC and our friendship continued as we both left there. I know Ken had a lot of problems, both health wise and emotionally. I will miss the talks we had and the friendship we shared. God Bless you Ken. I hope you are in a better place now and not suffering. You will be missed.##imported-begin##Diana Feasel##imported-end##

“ Kelly, Harold & Kathy,
I am deeply saddened by Ken's death. We used to see a lot of each other several years ago, but not as much since I changed churches. Ken was a good kind man who was always willing to help a friend. I enjoyed our friendship very much, and we shared some wonderful talks. May he now find the peace he always wanted so much.

“ Dear Kelly, Family & Friends of Ken:

So sorry for the loss of your dad, brother, and friend. He had had such a struggle ever since Intersil closed. It was really hard to see how much he suffered, both physically and emotionally. But may everyone have peace of mind that his troubles are over and he is at rest now.

*My condolences to all,
Bev (Mowery) Tracy##imported-begin##Bev Tracy##imported-end##*
