“ Ken's family (and Roger Bacon's family) lived across the street from me and my family for many years. They welcomed us, their daughters babysat our sons, who, along with the Boyd and Clinger children, pretty much occupied their yards as all our children grew. I am grateful for that close knit, often humorous, community that kept our children safe and provided such good role models. Ken, with his warm smile, was a big part of the community.

“ Janice and Family -

We want to express our deepest sympathy in the passing of Ken. He was a great man and always known - to this day - by my kids as "Mr. Wright". Always enjoyed the bottle of Miller Lite on your back porch, pulling up a chair, and just chatting. Always remembered.
