Tribute Wall

“ To Kent's family,
I pray the Lord's peace is with you all at this time of great loss. Kent and I had many-many great memories as high school friends. We had a great senior trip to Grandpa Dickerson's home in Florida, toured the Gulf Coast and got burn't up not knowing any better and spent a couple of nights on the Atlantic coast. Driving with Kent in his new T-top blue Z-28 Camaro was a highlight that has stayed with me to this day. Watching hm ride his Kawasaki 750 and taking my first airplane ride in a 4-seater to Bowling Green with Kent were also great memories. Kent was a great friend and encourager. Life happens and we moved apart, but I never forgot the memories we had - all good. My heart feels a great loss just knowing one of my earliest-best friends has passed on. Please accept my sincerest condolences and I pray Kent has gained the rest he deserves from fighting the good fight.

“ *I got to know Kent as a client. He always made my day as I walked through the dining room to go to work. He would be sitting in his chair and smile and greet me. He always had kind words for us and was a pleasure to be around. Today, I didn't realize until dinner that he wasn't at the table. I then found out. You and your family will be in my prayers. Know that he was a wonderful and kind man, I don't ever think I saw him get mad ever.....*
