“ Pfeiffer cousins and families--

I am so sorry for the loss of your big sister Kimberly. I pray she is at peace in Heaven now with your parents.

I have fond memories of throwing Hedge apples at each other from that tree at your house and running around with all of you at Grandma and Grandpa Pfeiffers house. Actually I was just down last night and had supper at Mary Ann's and I told Joe, my husband, after we left how strongly I felt Grandma Pfeiffer's presence in that house last night. It was comforting. And as I sat at her kitchen table looking at the pictures of all our parents, how I couldn't help but take a trip down memory lane. I do cherish those memories.

I know you all are having a struggling time right now and I will keep all of you and your families in my prayers. Please give Kimberly's daughters and grand babies a hug for me even though they don't know me. I am unable to make it to the service as I have to be out of town for work. I am sorry. I would be there otherwise. I am sending a donation directly to the funeral home to help with funeral expenses.

Hang in there families. Love, Vickie##imported-begin##Vickie Pfeiffer Martin##imported-end##
