“ *I just this week heard of Krista's passing. She has been my hygienist for several years and I always looked forward to seeing her. She was always such a sweet girl. I loved hearing about her family and everything that was going on in her life. She loved all of you so much. She was such a happy person. I know she loved the life she had and that was all because of you. I am so sorry this had to happen. I feel a sadness and loss for myself and I can't imagine what you are going through. Please accept my sympathy and know you are in my thoughts and prayers.*

“ *My sincere condolences to the family of Krista, I heard about her
story from an aunt of the family. My heart breaks. No words can be
expressed as to losing a loved one. As a parent myself of an angel I
have the days to look forward to seeing my daughter again. And
that with bringing new life into this world she will watch over the
family. So sorry for your loss*
