“ Dear Stacey, Dave & Alex,

*We enjoyed getting to know Leroy over the years when he visited you. An easy conversationalist and a willingness to play (while quietly and confidently conquering) at “numbers”, showed us that Stacey very much inherited those talents from him.*

*It was easy to see that he was very proud of his family.*

*He lived life well, cherished his family and friends, took adventures, and set an example we can all try to emulate. We celebrate the beauty of his life. It is an honor to have known him.*
