“ Lauren was one of the sweetest men I ever knew. He was always smiling and talking to people he didn't even no. I had the great honor to have worked for him for the last 2 years the restaurant was open and believe me it was an honor. We always had our jokes about me liking john deere and him being an international man. He was a very speical person to alot of people and I hope he is at peace. Lauren I love you and miss you dearly but I know that you are flying like the angel you were. I'll never forget you.##imported-begin##Wendy Harriman##imported-end##

“ Lauren was one of the sweetest men I have ever known. He was always smiling and talking to everyone even if he did not know them. I had the great honor to work for him for almost two years before the restaurant closed and I will hold all those memories forever in my heart. Lauren will be sadly missed and greatly loved by all who knew him. May he fly like the angel he was.##imported-begin##Wendy Harriman##imported-end##

“ I have many great memories of my great uncle Lauren. When him and Wayne would visit our house, they would give me the change out of their pockets and one year brought Little Ceasars pizza to the house for my birthday. They would always offer a treat when we went out to their house. He and Wayne would get out old pictures which was really interesting. Riding their snowmobiles is another fond memory. After Grandma Bash passed they took my Grandma Swanson on their rides around the countryside. My Dad was like a younger brother to Lauren and Wayne instead of a nephew. Lauren will be missed. He is the last of an era of Bashes.##imported-begin##Denise(Swanson)Thiel##imported-end##
