*So so sorry to hear of Lee's passing. He always put a smile on my face and it was my pleasure to transport him back and forth to Findlay for dialysis. He always addressed me as the "Vice President " of transportation and I will surely miss his smiling face. RIP Lee, I am going to miss our one sided talks to and fro from Findlay, I could hear you but you couldn't hear me, your free now and healthy once again. Prayers for your family, grateful for knowing you.
