“ *Lela Mae was a wonderful neighbor. She lived in Lovell North on SR 23 and my family lived in Lovell South on SR23. Her family had a black and white television set. We would visit them on Saturday night so we could watch Professional Wrestling. We thought they were really fighting and it wasn't until I was a freshman at BGSU and saw college wrestling that I was made aware that what we had been seeing was just a "show" that was all planned ahead of time!*

*When we would go to Salem Alumni dinners and square dances it was always fun to see and talk with Lela Mae.*

*Praise God that Lela Mae was a part of our lives.*

*I now live in Assisted Living at Ada VanCrest and still drive to my families, including watching my grandsons play football and basketball at Bloomdale*

*Elmwood Local schools. My son Ty is the High School Principal and Varsity basketball Coach and his wife Heather is a High School Teacher.*

*My flip phone is 419-575-8925 for text and talk.*
