“ Ken and Connie --
I would just like to express my condolences at the loss of your dad. Ken, it's a treat when you come back "home" to our class reunions; you're welcome anytime! I hope you're still enjoying your music to the max! Connie, a fellow-Upper-20 member, your thoughtfulness and consideration for others always impressed me. I worked with your mom for about a year and thought a lot of her, too. Please know you're in many thoughts and prayers today. Take care.##imported-begin##Kate (Margraf) Emerine##imported-end##
