“ I will always remember Sue for her love of her family and the excitement she had for Thanksgiving gatherings and getting that special gift for her family at X-mas. I've missed her craft open houses at holiday time and I never missed one of them. I still have the items I purchased and when I look at them I think of her. I enjoyed talking to her which I am sure you all did also. Our sympathies to all of you on your loss., she was a great mother! God Bless..... Mark @ Kathy Hayman

“ Kim, I know this is a difficult time for you and your family. As Helen Keller said "What we have once enjoyed, we can never lose. All that we love deeply becomes part of us."

I hope this quote brings comfort to you at this time.
